

VILLA AND CARRANZISTAS IN A LIVELY BATTLE

Message indicates that Bandit Chief
Has Attacked Cusihuachic, an
Important Mining Centre.

El PASO, Tex., Sept. 29.—From
representatives in Cusihuachic min-
ing men here to-day received a mes-
sage indicating that Villa had at-
tacked that town after fierce fighting
in which part of the garrison revolted
and went over to the bandits. It is
reported that Villa led his army to
the attack.

A message to Chihuahua City from
Gen. Ramon, commanding the de facto
Government troops engaged in the
battle, stating that a hospital train
and surgeons he required to his assist-
ance was received. Villamor himself was
reported slightly wounded.

Ramos claimed that one hundred
Villamor were killed, their leader, Gen.
Villamor, captured, and that de facto
forces suffered heavy casualties.
The town of Cusihuachic is an im-

portant mining centre. Several Amer-
ican owned mines with offices in El
Paso are located in that region.

Checker Champion Minton.
BIRMINGHAM, N. Y., Sept. 29.—M.
P. Fanning, champion checker player of
the world, has been missing from his
home here since Sept. 10. He held un-
til recently a high position with the
Security Mutual Life Insurance Com-
pany. No reason is known for his dis-
appearance and it is feared his mind is
unbalanced.
